2019 TECHNICIAN NIGHT POSTER PRESENTATION AWARDEE LETTER

June 14, 2019

Dear Rebecca,

Congratulations on behalf of NJAALAS for winning first place poster presenter at the 2019 NJAALAS Technician Night. Your presentation, *Math Matters, The impact of mathematics on animal research and the 3Rs* was informative, creative, and well received by the General Membership.

As the first-place winner, NJAALAS provides reimbursement up to \$1,500 towards expenses to attend the 2019 National AALAS Denver, Colorado Meeting. The criteria for reimbursable expenditures is attached for your reference. Please reach out to Lisa Stanislawczyk, the NJAALAS Technician Board Representative ([lisa.stanislawczyk@bms.com](mailto:lisa.stanislawczyk@bms.com)) should you have any questions regarding reimbursement.

NJAALAS encourages you to present your poster at the National AALAS Meeting. The presentation focused on an important topic of providing alternatives when applying the 3Rs.

Once again, thank you for your participating in this year's NJAALAS Technician Night and congratulations!

Kindest regards,

Jennifer Suto

President, NJAALAS
